## CLIENT EDUCATION

You'll find printable client education fact sheets, posters and brochures but also more dynamic educational tools like short videos.

## SHAREABLE CONTENT FOR SOCIAL MEDIA

We provide everything you need from best practices to prewritten posts. Visit our asset library to find images to share on Facebook®, Instagram® and Twitter® including educational photos from Dr. Jones, former president of the American Heartworm Society.

## ONLINE CE COURSES

- *Heartworms Exposed* – A Tech Champions online program revealing the reality and risks of heartworm disease.
- *What do you believe?* – Explore perceptions about heartworm disease.
- *Learn to be heard* – Effectively communicate the need for year-round protection.
- *Hookworms and roundworms* – Effectively communicate the need for year-round protection.
- *Heartworm Matters* – Earn up to four RACE credits while learning about heartworms.

## TECH CHAMPIONS

Tech Champions serve as a rotating council of advocates for heartworm disease prevention and other important pet health topics. Find out about Tech Fest events in your area.

## WARRIOR CANINE CONNECTION®

We support this non-profit program that helps military service members, veterans, and their families harness the healing power of dogs to reduce symptoms of combat trauma.

**Go to [HeartgardClinic.com](https://www.HeartgardClinic.com)  
to get started today.**

## IMPORTANT SAFETY INFORMATION:

HEARTGARD® (ivermectin) and HEARTGARD® Plus (ivermectin/pyrantel) are well tolerated. All dogs should be tested for heartworm infection before starting a preventive program. Following the use of HEARTGARD and HEARTGARD Plus, digestive and neurological side effects have rarely been reported. For more information, please visit [www.HEARTGARD.com](https://www.HEARTGARD.com).
