

HEARTWORM DISEASE HAS BEEN REPORTED IN ALL 50 STATES.

Average number of cases per reporting clinic:*

*HEARTWORM INCIDENCE 2013 © American Heartworm Society

The severity of heartworm incidence as shown in this map is based on the average number of cases per reporting clinic. Some remote regions of the United States lack veterinary clinics, therefore we have no reported cases from these areas.

Monthly, year-round prevention is recommended for all dogs and cats, regardless of where they live.

MAKE PREVENTION A PRIORITY TODAY.
